

CONFERENCE VENDOR & SPONSOR BENEFITS

Greetings Friends of OFCA:

The 2017 Spring Conference, hosted by the Oregon Fire Chiefs Association, is returning to Redmond, Oregon, in May! We would like to extend an opportunity for your company or organization to be showcased for products or services at this year's Spring Conference.

This three-day annual training event is the perfect way to reach leaders in the fire service from across the state. The event opens on **Tuesday, May 9** at the Eagle Crest Resort and will conclude on **Friday, May 12**.

OFCA sponsorship benefits provide a means for organizations to share their services and products with the Oregon fire service. It is also a great way to show support for OFCA. Sponsorships help defray costs associated with the conference and permit OFCA to keep the registration fees low, allowing greater opportunity for attendance by fire professionals across the state.

All sponsors will receive maximum exposure at the event to ensure your interests are available to OFCA members. This includes time to interact with conference attendees in a comfortable and casual way.

Please consider supporting this event. Doing so demonstrates your partnership with the fire service and with OFCA.

Sincerely,

Les Hallman
President, Oregon Fire Chiefs Association

Vendor / Sponsors Opportunities

There are numerous opportunities available at this year's Spring Conference. We've added event-specific sponsorships so your organization is able to showcase its services or products at optimal times throughout the conference. It's easy and there are lots of options available. Please select your vendor or sponsors level in the first column. If you'd like to maximize your organization's exposure, select an option from the second column. OFCA also seeks the items listed in the third column. Regardless of your level of support, OFCA appreciates your contributions to the fire service. Thank you!
